## ROSSO di STELLENBOSCH

HERITAGE SERIES by IDIOM

SANGIOVESE

2019

### VINIFICATION

Wine maker description

A lively, medium-bodied red wine with notes of red cherries and raspberries. Delicate oakling in 2nd fill and older barrels contributes to both fruity and savoury notes continuing on the palate. A beautiful, aromatic expression of this cultivar with good acidity and plenty of potential. A perfect match for antipasto or Italian-style meat and pasta dishes.

Varieties

Sangiovese (91%), Barbera (9%)

Origin

Wine of Origin Stellenbosch

Analysis

pH 3.52

Total acidity 5.6g/l
