STELLENBOSCH

SEMILLON 2021

VINIFICATION

Wine maker description

A delicate, aromatic example of barrel fermented Semillon. Subtle custard and lime cordial aromas with notes of cloves and white spices. Hints of prickly pear, capsicum and biscuit reveal Semillon's zesty, textured character and inherent structure. A wine that will benefit from cellaring and a definite food companion. Enjoy with scallops, white meats, or dishes with cream sauces.

Vinification details

The grapes were picked in early morning and transported to the cold container for overnight storage. The next day the grapes were first bunch sorted before being destemmed and the berry sorted. The berries went straight into the press, and the juice thereafter was settled for 3 days before being racked and inoculated for fermentation. The wine was fully barrel fermented and aged a further 6 months, before being lightly filtered and bottled.
